Dear Supervisors:

This letter is to inform you that Crossridge Road Bridge that spans State Route 70 will be permanently closed to traffic on April 3, 2017 at 8:00 am. The bridge is being closed for demolition. On the south side of the bridge a cul-de-sac will be constructed, and on the north side of the bridge T-616 Kennedy Road will be the farthest traffic can travel north on Crossridge Road.

Enclosed you will find a copy of the two plan sheets that show the final traffic configuration of Crossridge Road.

If you have any questions regarding this matter, please do not hesitate to contact my office.

Sincerely,
